

Trek Parts

Trek Part - TREK Cleaning Machines is a manufacturer of cleaning equipment. Bob O'Hara, Jim Hartsock and Chris Knowlton, TREK's founders, have over 60 years of experience successfully designing, developing, marketing, manufacturing and providing customer support. The company's innovative flair is a reflection of the entrepreneurial style of the founders. They really believe in delivering true value to their customers and are committed to offering top quality and new design concepts so as to meet the diverse needs of their clients.

TREK Cleaning Machines continually provides fresh design concepts as shown in their product development. They like providing products which energize both their dealers and their partners and offer production gains to their customers.

The team at TREK enjoys handling new tasks and challenges. They are proud to launch their new Torsion scrubber line and all of its breakthrough technology. This line was motivated by the comprehension of operators' skills and requirements along with their understanding of cleaning applications, along with owners' strong desire to considerably reduce cost through productivity gains.

The workers at TREK and their dealer-partners are really dedicated to having both technical support and parts obtainable when it is needed. Their high service dedication is amongst the core values in their customer service. Keeping their customers' cleaning equipment functioning and ready everyday is top priority. The company's top of the line technology delivers reliable equipment which ultimately lessens your cost of cleaning. The product, the price and the service all work as one to make them the leader in the business.
