

Genie Forklift Parts

Genie Forklift Parts - Genie is a universally established corporation that enjoys the spirit of alliance with their extensive network of connected customers. Genie Industries prides itself on the idea of bringing materials and people higher and extending beyond the products they design. Genie Industries strives to help clientele build their operations no matter how large or small the scale of operation may be.

The introduction of the Genie Hoist in 1996, a pneumatic, versatile materials lift initiated the opening of Genie Industries. A series of aerial work platforms and additional materials lift trucks followed to meet consumer demand. These innovative products secured global acknowledgment and established state-of-the-art product design.

Genie Industries is currently a subsidiary of Terex Corporation. Sustaining leading quality manufacturing and uncompromising service and support are among their highest priorities. With customers from Helsinki to Hong Kong and Denver to Dubai requesting the unique blue coloured forklifts on the jobsite, the company is self-assuredly grounded in their exceptional client service and values. Acknowledging that their consumers are their greatest motivation, the team at Genie Industries are personally dedicated to offering expertise and maintaining customer rapport.

The meticulous team is continually committed to ascertain the most green and cost-effective, environmentally responsible ways to develop the products the clients want. The company's "lean manufacturing" methods help diminish waste while delivering the utmost quality merchandise possible in the shortest timeframe at the least expensive cost to the consumer. The team at Genie Industries is proud to serve the industry and this is mirrored in every invention they produce. Always inviting client contribution allows them to manufacture and develop innovative new products that are effortless to service and operate, provide optimum value-for-cost and meet international standards. Thriving on customer feedback enables Genie Industries to continually evolve and satisfy the consumers' needs.

Genie service specialists grasp the importance of uptime. They are readily accessible to answer queries and provide solutions. Their expansive components network will promptly send parts to guarantee their customers' machines are operating effectively. Each product comes backed by a competitive and reliable warranty.

Genie Industries takes great pride in its customer service and builds and serves its products to ensure proficiency and maximum uptime on the job. Delivering on-going education opportunities, to marketing support to flexible financing possibilities, Genie Industries offers their customers the resources to get the most out of their investment.
